2001 Lake William

Lake William is a Cabernet Sauvignon blend named after the lake which borders and cools the estate vineyards that grow this blend. The varietal content of the Lake William varies from vintage to vintage dependent on the blending of our winemaker, Dimitri Tchelistcheff. The 2001 Lake William combines 52% Cabernet Sauvignon, 30% Cabernet Franc, 16% Merlot and 2% Petit Verdot. Eighteen months of barrel aging in 100% new French Nevers oak adds a note of toasty vanilla to the rich cassis aroma and elegant berry flavors of this wine. This wine has a very charming freshness that makes it ideal for drinking as a young wine. This wine has gone through extended aging and released when our winemaker felt it was ready for you and your friends to enjoy. Best to consume within ten years.
