### 2021 CABERNET FRANC

A perennial favorite varietal wine, our 2021 Cabernet Franc showcases a deep garnet hue with brilliant clarity and depth. The vibrant aromatics of cherry, bramble, and red plum are layered with notes of clove and pepper. On the palate, red and black fruit carry through with nuances of anise and dried fig. The tannins are refined yet present, in harmony with bright acidity to create a lingering, spice-driven finish.

Jarvis wines are exclusively produced from our estate grown hillside vineyards, which were originally planted in 1986. The winery and vineyards are located in the Vaca mountain range, about 1,000 feet above the valley floor and four miles east of the city of Napa. The cool mountain growing region provides moderate temperatures for optimum ripening of the grapes.
